30 Days to Taming Your Tongue Workbook Deborah Smith Pegues
2007-09-01 Now that more than 500,000 copies of 30 Days to Taming Your Tongue have been sold, thousands of readers with tongue trouble can testify that Deborah Pegues' approach works in real, everyday life. As a companion to the bestselling book, this 30-day guide will help readers put into practice what they're learning. Features include... questions that will help readers think through how the book's advice can apply to their circumstances ideas and plans to overcome negative speech patterns words from Scripture to reinforce the changes readers are making The key to overcoming foot-in-mouth disease, indicates the author, is letting God's way of thinking sink into your brain and then be reflected in your speech. This practical, hands-on guide will show readers how to do this.

[A Book of Super Cool Tongue Twisters](#) Gordon K. Tseng 2004-12 Gordon K. Tseng and his daughter Sharon H. Tseng both love to play with words. One day, Gordon proposed, "Why don't we write down everything that we have been playing with?" Sharon soon collected all the rhymes they had made. Later, they got quite a few funny rhymes that really twist. After these rhymes were edited, this book-with 60 cool tongue twisters-came to be. Let's play English! But Gordon and Sharon have declared that they are not responsible for any possible damage to your twisted tongue or

brain. Please see a doctor if anything happens. Just don't blame them or this book, because it's you who want to play. So, take it easy! Show time! *The Devil on Her Tongue* Linda Holeman 2014-06-24 A spellbinding story of loss, romance and betrayal set in 18th-century Portugal, from internationally bestselling Canadian historical fiction author Linda Holeman. Diamantina is 13 when her father, a Dutch sailor who washed up on the Portuguese island of Porto Santo, abandons her and her African-born mother and sets off for the New World. Unbaptized, tainted by her mother's witchcraft and her foreign blood, the girl is an outcast who seems doomed in her struggle to survive. Diamantina refuses to accept her destiny and vows to escape her circumstances and forge a life of her own, no matter the cost. But as the price of her desires rises, can she live with the choices she has made? Diamantina's odyssey to change her life is a sweeping narrative of starvation and plenty, cruelty and love, disaster and triumph.

Featuring hilarious illustrations and filled with facts, jokes, photos, quizzes, and Wow-To experiments, The How and Wow of the Human Body has everything you need to better understand your own walking, talking, barfing, breathing, pooping body of WOW!

Your Tongue Can Tell Vicki Cobb 2022-11-10 iNK author, Vicki Cobb, thinks she has an excellent sense of taste. That's why she picks such fun things to write about. When she finished writing this book, she had learned that it is more fun to taste things than it is to think about tasting them! Cindy Lewis had the good taste to accept the job of illustrating this book. She has also shown her good taste in choosing her wonderful husband, Tom, and raising her three wonderful kids. Grades 2-5 "...makes the science of the senses fun." Science Books and Films "The books helps students learn that, even at this young age, they can do real science." Library Talk "Fun comes through loud and clear... irresistibly wacky, full-color collages combine photos, illustrations and dialogue balloons. Kids and adults alike will love the refreshing wit and enthusiastic approach..." School Library Journal

Guide Your Mind, Guard Your Heart, Grace Your Tongue Carol Burton McLeod 2018-04-03 Every single one of us with a beating heart has spoken words "under the influence" of warped feelings and slurred thinking. And we soon wish we had the magical power to take those words back. We especially regret the hurtful words we have spoken to those we love the most and know the best. This book may just be the solution. Carol McLeod reveals that before the words are spoken, they brew in our hearts and are formed in our minds. It's our thoughts and emotions that determine what words come out of our mouths. Guide Your Mind, Guard Your Heart, Grace Your Tongue is an innovative blueprint that will enable you to take control of your thoughts and feelings in order

to grace your tongue. You won't find pat answers here, but rather powerful strategies based on the Word of God to reroute disordered thinking and cure rotten emotions so your words can be humbly grateful instead of grumbly hateful.

Tips of the Tongue Deborah Grayson Riegel 2017-05-15 MAKE PRESENTATIONS IN ENGLISH WITH CONFIDENCE Tips of the Tongue: The Nonnative English Speaker's Guide to Mastering Public Speaking is a practical, tactical, and supportive how-to book aimed at addressing the unique problems that nonnative English speakers experience when they deliver a presentation. Presenting in any language is daunting. But this book aims to reduce anxiety while raising proficiency in public speaking whether English is your second, third, fourth-or first-language.

Salt On Your Tongue Charlotte Runcie 2019-01-03 'An ode to the ocean, and the generations of women drawn to the waves or left waiting on the shore' Guardian In Salt On Your Tongue, Charlotte Runcie explores what the sea means to us, and particularly what it has meant to women through the ages. In mesmerising prose, she explores how the sea has inspired, fascinated and terrified us, and how she herself fell in love with the deep blue. This book is a walk on the beach with Turner, with Shakespeare, with the Romantic Poets and shanty-singers. It's an ode to our oceans - to the sailors who brave their treacherous waters, to the women who lost their loved ones to the waves, to the creatures that dwell in their depths, to beachcombers, swimmers, seabirds and mermaids. Navigating through ancient Greek myths, poetry, shipwrecks and Scottish folktales, Salt On Your Tongue is about how the wild untameable waves can help us understand what it means to be human.

Hold Your Tongue DEBORAH. MASSON 1920-01-09 A brutal murder. A young woman's body is discovered with horrifying injuries, a recent newspaper cutting pinned to her clothing. A detective with everything to prove. This is her only chance to redeem herself. A serial killer with nothing to lose. He's waited years, and his reign of terror has only just begun . . . Introducing DI Eve Hunter, HOLD YOUR TONGUE is your new obsession.

The Power of The Tongue Kenneth Copeland 2012-05-01 Words have

played a vital role since the beginning of time. In the book of Genesis, God created the world and everything in it with His words. Today, as believers, we have the same God-like ability to speak those things which be not as though they were. Through God's Word, Kenneth Copeland reveals the Bible secret of words and the vital importance of using the tongue to create rather than destroy.

Faces on the Tip of My Tongue Emmanuelle Pagano 2019-10-22

Meetings, partings, loves and losses in rural France are dissected with compassion. The late wedding guest isn't your cousin but a drunken chancer. The driver who gives you a lift isn't going anywhere but off the road. Snow settles on your car in summer and the sequins found between the pages of a borrowed novel will make your fortune. Pagano's stories weave together the mad, the mysterious and the dispossessed of a rural French community with honesty and humour. A superb, cumulative collection from a unique French voice. Why Peirene chose to publish this book: This is a spellbinding web of stories about people on the periphery. Pagano makes rural France her subject matter. She invokes the closeness of a local community and the links between the inhabitants' lives. But then she reminds us how little we know of each other.

'Devastatingly beautiful.' Le Soir, Belgium 'A treasure hunt that you can follow from title to title...fine-tipped drawings of little bits of the world that attach themselves to each other imperceptibly.' Xavier Houssin, Le Monde 'Pagano succeeds because of the range of her insight and the skill with which she shifts register: from wistfulness to blunt force, or from fantasy to naturalism.' Chris Power, The Guardian 'Endlessly beautiful and poignant.' Le Monde books of the year 2012 'With animal writing, Emmanuelle Pagano invites herself to the side of rebels and solitaires.' Marine Landrot, Télérama

Don't Bite Your Tongue Ruth Nemzoff 2008-08-05 Parents make enormous sacrifices helping children become healthy and autonomous adults. And when children are older, popular wisdom advises parents to let go, disconnect, and bite their tongues. But increasing life spans mean that parents and children can spend as many as five or six decades as adults together: actively parenting adult children is a reality for many

families. Dr. Ruth Nemzoff--a leading expert in family dynamics--empowers parents to create close relationships with their adult children, while respecting their independence. Based on personal stories as well as advice that she has accrued from years of coaching, this lively and readable book shows parents how to: -communicate at long distances - discuss financial issues without using money as a form of control -speak up when disapproving of an adult child's partner or childrearing practices -handle adult children's career choices or other midlife changes -navigate an adult child's interreligious, interracial or same sex relationships No other book treats the challenges of parent and adult offspring relationships as part and parcel of a healthy family dynamic. This practical lessons of Don't Bite Your Tongue will help parents play a vital and positive role in their children's lives.

Get to Know Your Tongue Drum. 62 Simple Songs for Absolute Beginners

Helen Winter The steel tongue drum (aka tong drum, tank drum, gluck-o-phone, hapi drum, mandala, or lotus drum) and the handpan (aka hank drum, UFO drum, zen drum) are percussion musical instruments designed to help you focus on your feelings, sensations, and body. You don't need classical music training or knowledge of music theory to play them. The main purpose is relaxation, meditation, and traveling through your inner world. Playing traditional music notes is difficult for people who have no musical knowledge. You need to know the rhythmic value of each note, its place on the staff, note duration, and its combination with other notes. To be aware of all this simultaneously demands music experience and advanced skills. Nevertheless, even if you have never studied music, you can begin to play complicated melodies, and also experiment with your tongue drum in a meditative way. No previous training or skills are necessary to enjoy these fascinating instruments. It is impossible to play them incorrectly. Anyone can play them: those who want to develop a good sense of rhythm and an ear for music, those who are seeking relaxation after a hard day at work, those who have always had an interest in learning how to play a musical instrument, and those who want to introduce something unusual into their lives and explore their inner selves. All songs in this book have been written without using

the classic music score system because it is for absolute beginners who cannot read sheet music. We collect very simple and well-known songs and melodies with easy rhythms. You can begin to play just now using circles that contain either a number, without having to consider note duration, key, or time signatures. These numbers correspond to those on the keys of your tongue drum. So you just need to follow the numbers. We use circles with numbers because most modern tongue drums have numbers engraved or painted on their keys. We do not show the note duration - we just group the circles closer to each other to show the rhythms. You can experiment with a duration on your own. Because most tongue drums include and are tuned to involve the notes of the main octave, all songs from this book are possible to play in one octave. This book includes very simple, popular children's and folk songs, but even well-known children's songs played on the drum will create an unusual magical sound. Attention: Songs have been transposed for a DIATONIC range. Some melodies might be changed and simplified. Contents:

Unusual Traits Buffy Silverman 2017-08-01 Audisee® eBooks with Audio

combine professional narration and text highlighting for an engaging read aloud experience! Can you roll your tongue into a U-shape? Some people can. But other people's tongues stay flat. What determines whether you can roll your tongue?

On the Tip of Your Tongue Irene M. Franck 1990-10-01 REFERENCE

Tongue K. L. Savage 2020-12-04 I'm too dark for her light. I am who I am, and I won't apologize for it. I don't know how to be... Normal. I have my reasons. I've been through hell. I've touched the flames themselves and I've danced with the devil. Intimately. Damnation torched my soul until it was black. Then I see her. I'm enthralled, but I can't speak to her. She's too pure. Too fragile. Too innocent. She doesn't need to see my torched soul. She doesn't need to taste my damnation. I watch what I can't have. I swear I'll protect her. Even if she doesn't know I'm there. I get more... Enthralled. She loves books. I wonder if I could love them too. She loves wine. I imagine us sharing a glass. Imagination. What a tease. Enthralled. Entranced. Obsessed. She feels me there. Sees me out of the corner of her eye. I'm the reason the hair on the back of her neck is standing up. But I stay in the shadows where I belong. Until I can't. Until the day I see her cry. Those tears feel like open wounds. I want to heal them. But all she does is run. So I follow. Enthralled. Entranced. Obsessed. RUTHLESS. I won't stop until she no longer has a reason to cry. Even if it means I have to ride through the fires of hell one more time.

Pearl Tongue Tyrone Bentley 2017-09-26 “So explosive, dramatic, and sexual, it should come with an R rating!” —RT Book Reviews With a drug addict mother and a drug lord father, Aphtan learns how to fend for herself at an early age. Being the princess of an empire has its perks—until her father gets arrested. From stealing clothes and food to committing fraud, Aphtan does what she has to do to take care of her mother and herself. But when her schemes prove problematic, she turns to a new hustle: dancing at Pearl Tongue, the most notorious strip club in Texas . . . For Aphtan, the job's fast money means security. Addicted to the cash, she promises herself she'll never stop—until her new man, Scooter, makes her. In love, Aphtan trades in the pole for the life of a

housewife. But nothing lasts forever and Scooter's past ultimately catches up with them—bringing secrets to the surface that destroy their relationship. Devastated, Aphtan needs a shoulder to cry on—and it belongs to Scooter's brother, Cole. Now, between betrayal, lies, murder, and a robbery that may force her to leave town for good, Aphtan's heart—and her life—are on the line.

On the Tip of My Tongue Tom Read Wilson 2022-09-06 Navigate every situation in modern life with eloquence and grace with this curated list of words featuring witty analysis of their origins, meanings and practical applications. In *On the Tip of My Tongue*, logophile and television star Tom Read Wilson takes a delicious dive into the etymology and usage of all kinds of words, euphemisms and bon mots. Divided into sections spanning dating, personal development, show business, compliments, curses, complaining without being a Karen and more, discover words and phrases like: Companion: Panis is the Latin root meaning "bread". At first glance, companion seems to be no companion of our root. However, etymologically, we have a "person one breaks bread with". Companion, as we use it today, may seem adrift from its root but it is not the only word that metamorphosed, over time, from mere dining partner to chum: Mate comes from the Old English mete, which once meant all food - not just animal flesh. So your mate was the person with whom you shared your meat. Isn't that lovely? I have become the Bayeux Tapestry: There are, naturally, occasions - though they are of course rare - where one is just too tired to attend a party. Tired, fatigued, flat, all sound so beige and drear-full that I always find myself leaning toward euphemism instead. My favourite is "threadbare". However, sometimes even threadbare gets a bit threadbare so I plump for the most famous of all threadbare pieces to demonstrate the point. JOMO: Acronyms tend to be quite bold. The reduction of a phrase to single initials is often an endeavour to soften it while retaining your core assertion. Acronyms remove the sting. Somehow, telling your chum that you experienced JOMO missing that dinner party when you were rather threadbare is a lot more innocuous than saying you felt the Joy Of Missing Out, which I experience a great deal more than its counterpart, FOMO (Fear Of

Missing Out). With Tom's wit and lifelong love of words by your side, you'll never be lost for words again, whether you are trying to understand the many metaphors for sex or trying to tell your mother you love her. This is a delightful and hilarious etymological solution to the Dear Mary dilemmas and conundrums of modern life and a must-read for every budding vocabularian.

Hung by the Tongue Francis Martin 1995

[Your Tongue Never Lies](#) Victor Zeines 2011-04-15 Readers would be surprised to learn how much can be revealed about their state of health by an assessment of that organ. Dr. Zeines' groundbreaking book is an introduction to this fascinating subject. YOUR TONGUE NEVER LIES is unique because it is the first book written in easy-to-understand terminology and geared to the general public. It emphasizes how the problems seen on the tongue may be related to digestion, and how with proper detoxification and supplementation, the body can be put back on the road to health. This change for the better can also be monitored simply by looking at the tongue. Packed with illustrations and photographs for easy comprehension and retention, YOUR TONGUE NEVER LIES ultimately aims to enable readers to have a better understanding of their own bodies. It will open their minds to ancient but still relevant ideas pertaining to health. It is hoped that the ideas expressed in these pages will help readers link themselves to nature and gain exposure to new insights about healing

Get Your Tongue Out of My Mouth, I'm Kissing You Good-bye

Cynthia Heimel 1993

The High King's Golden Tongue Megan Derr 2015 Prince Allen has trained his entire life to follow in the footsteps of his illustrious mother, who has made their kingdom one of the wealthiest and most influential in the empire. For the past few years he has trained to become the new consort of the High King. The only thing no one prepared him for was the stubborn, arrogant High King himself, who declares Allen useless and throws him out of court. High King Sarrica is ruling an empire at war, and that war will grow exponentially worse if his carefully laid plans do not come to fruition. He's overwhelmed and needs help, as much as he

hates to admit it, but it must be someone like his late consort: a soldier, someone who understands war, who is not unfamiliar with or afraid of the harsher elements of rule. What he doesn't need is the delicate, pretty little politician foisted on him right as everything goes wrong.

What Is Written on the Tongue Anne Lazurko 2022-04-26 Released from Nazi forced labour as WWII ends, twenty-year old Samuel Vandenberg is quickly drafted and sent to the island of Java to help regain control of the East Indies colony. The story of one young man's journey from being occupied to holding the gun, from having an enemy to becoming one.

Tongue-Tied Dmd Ms Baxter 2018-07-13 Chances are, you or someone you know is affected by a tongue-tie. Common, yet little understood, tongue-ties can lead to a myriad of problems, including difficulty when nursing, speaking or eating. In the most crucial and formative parts of children's lives, tongue-ties have a significant effect on their well-being. Many parents and professionals alike want to know what can be done, and how best to treat these patients and families. And now, there are answers. *Tongue-Tied: How a Tiny String Under the Tongue Impacts Nursing, Feeding, Speech, and More* is an exhaustive and informative guide to this misunderstood affliction. Along with a team of medical specialists, author Dr. Richard Baxter demystifies tongue-ties and spells out how this condition can be treated comprehensively, safely and comfortably. Starting with a broad history of tongue-ties, this invaluable guide covers 21st-century assessment techniques and treatment options available for tethered oral tissues. Various accounts of patient challenges and victories are prominently featured as well. With the proper diagnosis and treatment, tethered oral tissues can be released with minimal discomfort, resulting in lives free of struggles during nursing, speaking, and feeding, while also reducing the incidence of dental issues, headaches, and even neck pain for children through adults. Aimed at both parents and professionals, *Tongue-Tied* encourages those affected while providing reassuring and valuable information. Dr. Baxter and his qualified team have pooled their expertise to make a difference in the lives of people. No longer will young patients and their parents suffer without answers.

Watch Your Mouth Tony Evans 2016-08-30 "Does it really matter what I say?" Your greatest weapon—for good or evil—is in your mouth. From bestselling author Dr. Tony Evans comes a compelling resource to help you learn to tame your tongue. With life-changing insights shared through engaging lessons and anecdotes, you'll learn what the Bible teaches about talking: Discover the power of the spoken word to bolster your faith when you're doubting. Discern what should or shouldn't be said so that you honor God with your speech. Develop the ability to praise God and voice wisdom even in tough circumstances. Get inspired by Tony's teaching on the tongue and model with your mouth the character of God. Don't let your words bring cursing or destruction to yourself and those you love. Instead, let your words minister to and speak life into the world around you.

Controlling the Tongue R.T Kendall 2011-10-31 The words we speak have power. Often the consequences of our careless words are far reaching and eternal. At one time or another we all have experienced saying something in a moment that takes hours (or weeks or a lifetime) to make right. In his engaging teaching style, Dr. R. T. Kendall helps you learn how to take control of the words you speak. He brings you straight to the Bible to identify characters who spoke without thinking as examples of how not to do things, demonstrating conclusively through their lives that, even when you fail, God will use you as He used them., **The Prodigal Tongue** Mark Abley 2008 Explores how languages the world over are likely to be transformed by their speakers during the twenty-first century.

Native Tongue Carl Hiaasen 2010-08-18 From the New York Times bestselling author comes a novel in which dedicated, if somewhat demented, environmentalists battle sleazy real estate developers in the Florida Keys. "Rips, zips, hurtles, keeping us turning the pages at breakfinger pace." —New York Times Book Review When the precious clue-tongued mango voles at the Amazing Kingdom of Thrills on North Key Largo are stolen by heartless, ruthless thugs, Joe Winder wants to uncover why, and find the voles. Joe is lately a PR man for the Amazing Kingdom theme park, but now that the voles are gone, Winder is dragged

along in their wake through a series of weird and lethal events that begin with the sleazy real-estate agent/villain Francis X. Kingsbury and can end only one way....

Watch Your Tongue Mark Abley 2018-10-30 Phrases, idioms, and clichés—why do we say the things we say? Watch Your Tongue explores weird and wonderful everyday sayings and what they reveal about us. Do you ever wonder why you shouldn't have a cow but you should seize a bull by its horns? Who has the better reputation in language—cats or dogs? Do you sometimes feel that our speech is all smoke and mirrors or that our expressions simply make no sense? In Watch Your Tongue, award-winning author Mark Abley explores the phrases, idioms, and clichés of our everyday language. With wit and subtle wisdom, he unravels the mysteries of these expressions, illuminating the history, tradition and stories behind everything we say. Pulling examples from Shakespeare's plays to sports team names, ancient Rome to Twitter, Abley shares samples and anecdotes of the eccentric ways that we play with, parse, and pattern language. Why do so many companies use fruit for their brand names? What do politicians mean when they say they're going to "drain the swamp"? Why does English use chickens to signify cowardice? Abley dives into the history and psychology behind these examples and countless others, unpacking their significance (and sheer absurdity) to show how our language developed, where it is headed, and what we can learn about ourselves from it. Whimsically illustrated, easily browsable, and full of catchy sidebars, Watch Your Tongue celebrates how we amuse ourselves with words and what our sayings reveal about the way we see the world.

Reigning Through Your Tongue Saviour Daniels 2020-05-22 The power of your tongue and, the power of your own words are more powerful than the atomic bomb! Do you find yourself in any hopeless situation? Are you in a season and a moment of darkness, stagnation and death in any area of your life; career, business, marriage, finances or health? Stick Out Your Tongue Ma Jian 2013-07-31 A Chinese writer whose marriage has fallen apart travels to Tibet. As he wanders through the countryside, he witnesses the sky burial of a Tibetan woman who died during childbirth, shares a tent with a nomad who is walking to a sacred mountain to seek forgiveness for sleeping with his daughter, meets a silversmith who has hung the wind-dried corpse of his lover to the walls of his cave, and hears the story of a young female incarnate lama who died during a Buddhist initiation rite. In the thin air of the high plateau,

the divide between fact and fiction becomes confused and the man is drawn deep into an alien culture he knew nothing about, and which haunts his dreams. Banned in China in 1987, *Stick Out Your Tongue*, is the hugely influential book that set Ma Jian on the road to exile.

30 Days to Taming Your Tongue Deborah Smith Pegues 2008-03-01 Certified behavioral consultant Deborah Pegues knows how easily a slip of the tongue can cause problems in personal and business relationships. This is why she wrote the popular *30 Days to Taming Your Tongue* (850,000 copies sold). Now in trade size, Pegues's 30-day devotional will help each reader not only tame their tongue but make it productive rather than destructive. With humor and a bit of refreshing sass, Deborah devotes chapters to learning how to overcome the Retaliating Tongue Know-It-All Tongue Belittling Tongue Hasty Tongue Gossiping Tongue 25 More! Short stories, anecdotes, soul-searching questions, and scripturally based personal affirmations combine to make each applicable and life changing. Rerelease in trade edition

The Well-dressed Bear Will (never) be Found Jarod Roselló 2015 Art. Comics. There is a bear loose in the city. He is violent and unpredictable. A menace. If you see this bear, please contact the authorities. Do not approach him, do not call out to him, do not follow him into alleyways or darkened places. Do not go looking for this bear. He is very dangerous. He is also very hard to find.

The Mayor's Tongue Nathaniel Rich 2008-04-17 One of the most original, dazzling, and critically acclaimed debut novels this year. In this debut novel, hailed by Stephen King as "terrifying, touching, and wildly funny," the stories of two strangers, Eugene Brentani and Mr. Schmitz, interweave. What unfolds is a bold reinvention of storytelling in which Eugene, a devotee of the reclusive and monstrous author, Constance Eakins, and Mr. Schmitz, who has been receiving ominous letters from an old friend, embark from New York for Italy, where the line between imagination and reality begins to blur and stories take on a life of their own.

Show Your Tongue Günter Grass 1989 Gunter Grass and his wife, Ute, spent six months in Calcutta, 1987-1988. Throughout, Grass kept a diary

in words and drawings that record everyday sights: the poverty, the heat, the resigned anxiety of those who no longer have anything to wait for. Showing one's tongue in Bengali is an expression of shame. And shame is what Grass, as a man and as a citizen of one of the most prosperous countries in the world, feels about the human condition in India. -- taken from p. 4 of cover.

Power of the Tongue Bill Winston 2002-06-01 Did you know that you can turn your life around simply by changing the words that you speak. You will learn that your life is impacted by the words that proceed out of your mouth. Proverbs 1:21 states, "Death and Life are in the power of the tongue"

JPRS Report, China: Show Your Tongue Coating Or Nothingness 1987

Stick Out Your Tongue Joan Bonsignore 2001 An introduction to the subject of animal and human tongues, providing facts about the unusual features and functions of tongues.

Your Tongue Determines Your Destiny (Revised Edition) April Shenandoah 2015-08 The Bible tells us that the words we speak can mean life or death. They can give you a life of peace or unrest, abundance or poverty, health or sickness. The words you speak today will produce the life you live tomorrow. Author April Shenandoah takes you through real life experiences as she learned about the power of the spoken word. She teaches how we as believers are not practicing one of the most basic Biblical principles ask, believe, and receive. She teaches that we are to say what we want and expect it. Now, this great book has been expanded to include a section entitled *7 Days to Greatness*. You will learn how to become free, to accomplish great things, and achieve a higher level of living through a healthy body, happy soul, and a Holy Spirit that will lead you to greatness!

It's Better to Bite Your Tongue Than Eat Your Words Dr. Mike Bechtle 2022-02-15 Ever come away from a conversation wishing you'd said something differently, something else, or just something? We've all had conversations that took an unproductive turn or avoided conversations that really needed to happen. If you want to become a better

communicator, Dr. Mike Bechtle has good news: the art of confident conversation is something you can develop through simple, repeatable habits. In this book, he shows you how to - embrace your temperament - overcome feelings of intimidation - choose the right words at the right time - speak up for others and yourself - and much more Say goodbye to fear, regret, and "I should (or shouldn't) have said that." Say hello to intentional, appropriate, timely conversations that get your point across even as they build relationships. This book provides mastery of the skills of confident communication in any situation.
