Chinese Recorder and Missionary Journal 1921

When All the Gods Trembled Paul Keith Conkin 2001 When All the Gods Trembled narrates the drama of the famous Scopes 'Monkey Trial, ' and describes the varied attempts by early 20th century Americans to accommodate Darwinism into their religious traditions. Conkin's sweeping narrative about this complex relationship is destined to change the way all Americans think about Darwin, the Scopes trial, and American religious and intellectual thought

The Spirit of American Liberal Theology Gary Dorrien 2023-09-05 The Spirit of American Liberal Theology is an interpretation of the entire U.S. American tradition of liberal theology. A highly condensed and far-more-accessible summary of Gary Dorrien's three-volume trilogy, *The Making of American Liberal Theology* (Westminster John Knox Press 2001, 2003, and 2006), Dorrien here presses the argument that the most abundant, diverse, and persistent tradition of liberal theology is the one that blossomed in the United States and is still refashioning itself. While discussions of English and German liberalism persist, new material includes expanded treatment of the Black social gospel, the Universalists, developments into early 2020s, and a robust expression of the author's post-Hegelian liberal-liberationist perspective.

Solzhenitsyn and American Culture David P. Deavel 2020-10-31 For many Americans of both right and left political persuasions, the Russian bear is more of a bugbear. On the right, the country is still mentally represented by Soviet domination. For those on the left, it is a harbor for reactionary values and neo-imperial visions. The reality, however, is that, despite Russia's political failures, its rich history of culture, religion, and philosophical reflection—even during the darkest days of the Gulag—have been a deposit of wisdom for American artists, religious thinkers, and political philosophers probing what it means to be human. Aleksandr Solzhenitsyn stands out as the key figure in this conversation, as both a Russian literary giant and an exile from Russia living in America for two decades. This anthology reconsiders Solzhenitsyn's work from a variety of perspectives—his faith, his politics, and the influences and context of his literature—to provide a prophetic vision for our current national confusion over universal ideals. In *Solzhenitsyn and American Culture: The Russian Soul in the West*, David P. Deavel and Jessica Hooten Wilson have collected essays from the foremost scholars and thinkers of comparative studies who have been tracking what Americans

have borrowed and learned from Solzhenitsyn as well as his fellow Russians. The book offers a consideration of what we have in common—the truth, goodness, and beauty America has drawn from Russian culture and from masters such as Solzhenitsyn—and will suggest to readers what we can still learn and what we must preserve.

The book will interest fans of Solzhenitsyn and scholars across the disciplines, and it can be used in courses on Solzhenitsyn or Russian literature more broadly. Contributors: David P. Deavel, Jessica Hooten Wilson, John Wilson, Nathan Neilson, Eugene Vodolazkin, David Walsh, Matthew Lee Miller, Ralph C. Wood, Gary Saul Morson, Edward E. Ericson Jr., Micah Mattix, Joseph Pearce, James F. Pontuso, Daniel J. Mahoney, William Jason Wallace, Lee Trepanier, Peter Leithart, Dale E. Peterson, Julianna Leachman, Walter G. Moss, and Jacob Howland.

The Life of Prayer in a World of Science Rick Ostrander 2000-11-02 During the late 19th and early 20th centuries, Christians carried on an intense debate concerning the doctrine of prayer. This ideological revolution affected not only the ways that they interpreted the Bible but also how they prayed. In this book, Rick Ostrander explores the attempts of American Christians to articulate a convincing and satisfying ethic of prayer amidst these changing circumstances.
