Russia: a Short History Michael T. Florinsky 1969 A survey of Russia's development from a valley culture in the ninth century through the Czechoslovakian crisis of 1968.

Catherine the Great Isabel de Madariaga 2002 One of the world's leading scholars of Russian history here presents the most informative, balanced, and up-to-date study yet written of Catherine the Great and her reign

Russia: a Short History Michael T. Florinsky 1969 A survey of Russia's development from a valley culture in the ninth century through the Czechoslovakian crisis of 1968.

The End of Tsarist Russia Dominic Lieven 2015-08-18 An Economist Best Book of the Year A Financial Times Best Book of the Year Winner of the the Pushkin House Russian Book Prize Finalist for the Lionel Gelber Prize An Amazon Best Book of the Month (History) One of the world's leading scholars offers a fresh interpretation of the linked origins of World War I and the Russian Revolution "Lieven has a double gift: first, for harvesting details to convey the essence of an era and, second, for finding new, startling, and clarifying elements in familiar stories. This is history with a heartbeat, and it could not be more engrossing."—Foreign Affairs World War I and the Russian Revolution together shaped the twentieth century in profound ways. In *The End of Tsarist Russia*, acclaimed scholar Dominic Lieven connects for the first time the two events, providing both a history of the First World War's origins from a Russian perspective and an international history of why the revolution happened. Based on exhaustive work in seven Russian archives as well as many non-Russian sources, Dominic Lieven's work is about far more than just Russia. By placing the crisis of empire at its core, Lieven links World War I to the sweep of twentieth-century global history. He shows how contemporary hot issues such as the struggle for Ukraine were already crucial elements in the run-up to 1914. By incorporating into his book new approaches and comparisons, Lieven tells the story of war and revolution in a way that is truly original and thought-provoking.

A Concise History of Russia Paul Bushkovitch 2011-12-05 Accessible to students, tourists and general readers alike, this book provides a broad overview of Russian history since the ninth century. Paul Bushkovitch emphasizes the enormous changes in the understanding of Russian history resulting from the end of the Soviet Union in 1991. Since then, new material has come to light on the history of the Soviet era, providing new conceptions of Russia's pre-revolutionary past. The book traces not only the political history of Russia, but also developments in its literature, art and science. Bushkovitch describes well-known cultural figures, such as Chekhov, Tolstoy and Mendeleev, in their institutional and historical contexts. Though the 1917 revolution, the resulting Soviet system and the Cold War were a crucial part of Russian and world history, Bushkovitch presents earlier developments as more than just a prelude to Bolshevik power.

A Short History of Russia Parmele Mary Platt 2016-06-23

Russia and the Russians Geoffrey A. Hosking 2001 Chronicles the history of the Russian Empire from the Mongol Invasion, through the Bolshevik Revolution, to the aftereffects of the Cold War.

A Short History of Russia Benedict Humphrey Sumner 1949 For other

editions, see Author Catalog.

Catherine the Great Isabel de Madariaga 1991-01-01 There is no shortage of biographies of Catherine the Great, of varying quality and degrees of sensationalism. But there exists no brief account of her reign that incorporates the extensive research findings of the last twenty years and presents them accessibly, accurately, and concisely to the student and the general reader. Following her magisterial *Russia in the Age of Catherine the Great*, Isabel de Madariaga has written the most informative, balanced and up-to-date short study of this spectacular period in Russian history. De Madariaga establishes an authoritative account of the events of Catherine's life, disentangling the myth from the verifiable reality. But her principal aim is to provide an account of the achievements of the thirty-four-year reign. Well-read and intelligent, Catherine presided over a fundamental reorganization of central and local government, of financial administration, of law, and of literary and cultural life. De Madariaga tracks the changes and explains the reforms, placing them in the context of eighteenth-century Europe and the ideas of the Enlightenment and of the French Revolution. Chapters on the wars against the Turkish empire, the annexation of the Crimea in 1783, and the partition of Poland demonstrate Catherine's part in building Russia into a formidable European power. The text is distinguished throughout by the attention paid to historical controversies over the interpretation of Catherine's policies and to the historiography on the period in general. Praised by French writers of her day and attacked by later historians for her neglect of the welfare of the serfs, Catherine's achievements are now measured against the difficulties she met. The book points to the problems Catherine faced, the human and material resources on which she could draw, and the intellectual climate in which she operated. De Madariaga considers past and present assessments of Catherine and consolidates balanced judgments, profound understanding, and exhaustive research into a highly assimilable form.

Sino-Russian Relations R.K.I. Quested 2014-02-25 This book provides a systematic history of Sino-Russian relations, a history which is invaluable in forming an understanding of relations between the two nations today. Becoming neighbours in the seventeenth century, their changing relations in peace and war, in isolation, cooperation and confrontation have steadily assumed a greater importance in world politics and become increasingly important to the stability of international relations.

Russia Abraham Ascher 2009-01-12 This is a concise yet thoughtful guide to the complex and turbulent history of Russia and its people.

The Jews in Poland and Russia: A Short History Antony Polonsky 2013-09-26 A very readable and comprehensive overview that examines the realities of Jewish life while setting them in their political, economic, and social contexts.

A Short History of Russia Mark Galeotti 2021-01-28 Takes us behind the myths to the heart of the Russian story: from the formation of a nation to its early legends - including Ivan the Terrible and Catherine the Great - to the rise and fall of the Romanovs, the Russian Revolution, the Cold War, Chernobyl and the end of the Soviet Union - plus the arrival of an obscure politician named Vladimir Putin

The Shortest History of the Soviet Union Sheila Fitzpatrick 2022-09-06 In 1917, Bolshevik revolutionaries came to power in the war-torn Russian Empire in a way that defied all predictions, including their own. Scarcely a lifespan later, in 1991, the Soviet Union collapsed as accidentally as it arose. The decades between witnessed drama on an epic scale—the chaos and hope of revolution, famines and purges, hard-won victory in history's most destructive war, and worldwide geopolitical conflict, all entwined around the dream of building a better society. This book is a lively and authoritative distillation of this complex history, told with vivid details, a grand sweep, and wry wit. The acclaimed historian Sheila Fitzpatrick chronicles the Soviet Age—its rise, reign, and unexpected fall, as well as its afterlife in today's Russia. She underscores the many ironies of the Soviet experience: An ideology that claimed to

offer humanity the reins of history wrangled with contingency. An avowedly internationalist and anti-imperialist state birthed an array of nationalisms. And a vision of transcending economic and social inequality and injustice gave rise to a country that was, in its way, surprisingly normal. Moving seamlessly from Lenin to Stalin to Gorbachev to Putin, *The Shortest History of the Soviet Union* provides an indispensable guide to one of the twentieth century's great powers and the enduring fascination it still exerts.

A History of Russia Vasilii Osipovich Kl~inotuchevskii 1911

The History of Russia Charles E. Ziegler 1999-11-30 Discusses the political and economic aspects of each period as well as the social and cultural milieu, and includes a timeline, brief biographical notes on key players, and a bibliographic essay.

Russia Philip Longworth 2006-11-28 Through the centuries, Russia has swung sharply between successful expansionism, catastrophic collapse, and spectacular recovery. This illuminating history traces these dramatic cycles of boom and bust from the late Neolithic age to Ivan the Terrible, and from the height of Communism to the truncated Russia of today.

Philip Longworth explores the dynamics of Russia's past through time and space, from the nameless adventurers who first penetrated this vast, inhospitable terrain to a cast of dynamic characters that includes Ivan the Terrible, Catherine the Great, and Stalin. His narrative takes in the magnificent, historic cities of Kiev, Moscow, and St. Petersburg; it stretches to Alaska in the east, to the Black Sea and the Ottoman Empire to the south, to the Baltic in the west and to Archangel and the Arctic Ocean to the north. Who are the Russians and what is the source of their imperialistic culture? Why was Russia so driven to colonize and conquer? From Kievan Rus'---the first-ever Russian state, which collapsed with the invasion of the Mongols in the thirteenth century---to ruthless Muscovy, the Russian Empire of the eighteenth century and finally the Soviet period, this groundbreaking study analyses the growth and dissolution of each vast empire as it gives way to the next. Refreshing in its insight and drawing on a vast range of scholarship, this book also explicitly addresses the question of what the future holds for Russia and her neighbors, and asks whether her sphere of influence is growing.

A Short History of Russia B. H. Sumner 2013-10 This is a new release of the original 1949 edition.

The Cambridge History of Russia: Volume 1, From Early Rus' to 1689

Maureen Perrie 2006 An authoritative history of Russia from early Rus' to the reign of Peter the Great.

Russian History: A Very Short Introduction Geoffrey Hosking 2012-03-29 A leading international authority discusses all aspects of Russian history, from the struggle by the state to control society to the transformation of the nation into a multi-ethnic empire, Russia's relations with the West and the post-Soviet era. Original.

Russia Abraham Ascher 2017-09-07 Distinguished Professor Abraham Ascher offers an impressive blend of engaging narrative and fresh analysis in this perennially popular introduction to Russia. Newly updated on the 100th anniversary of the Bolshevik Revolution, *Russia: A Short History* begins with the origins of the first Slavic state, and continues to the present-day tensions between Russia and its neighbours, the rise of Vladimir Putin, and the increasingly complex relationship with the United States.

Science in Russia and the Soviet Union Loren R. Graham 1993 By the 1980s the Soviet scientific establishment had become the largest in the world, but very little of its history was known in the West. What has been needed for many years in order to fill that gap in our knowledge is a history of Russian and Soviet science written for the educated person who would like to read one book on the subject. This book has been written for that reader. The history of Russian and Soviet science is a story of remarkable achievements and frustrating failures. That history is presented here in a comprehensive form, and explained in terms of its social and political context. Major sections include the tsarist period, the impact of the Russian Revolution, the relationship between science and Soviet society, and the strengths and weaknesses of individual scientific disciplines. The book also discusses the changes brought to science in Russia and other republics by the collapse of communism in the late 1980s and early 1990s.

A Short History of Russia Mary Platt Parmele 2017-08-03 *A Short History of Russia*

A Short History of the Russian Revolution Geoffrey Swain 2017-01-30 In 1917 revolutionary fervour swept through Russia, ending centuries of imperial rule and instigating political and social changes that would lead to the formation of the Soviet Union. Arising out of proletariat discontent with the Tsarist autocracy and Lenin's proclaimed version of a Marxist

ideology, the revolutionary period saw a complete overhaul of Russian politics and society and led directly to the ensuing civil war. The Soviet Union eventually became the world's first communist state and the events of 1917 proved to be one of the turning-points in world history, setting in motion a chain of events which would change the entire course of the twentieth century. Geoffrey Swain provides a concise yet thorough overview of the revolution and the path to civil war. By looking, with fresh perspectives, on the causes of the revolution, as well as the international response, Swain provides a new interpretation of the events of 1917, published to coincide with the 100th anniversary of the revolution.

Russia in History Sidney Ploss 2019-10-30 This volume is a short history of Russia. It focuses on the political developments and personalities of the country. Basic factors considered are shapers of the Russian Empire and Soviet Union, doctrines, and social groups - peasants, intellectuals, and ethnic minorities. Attention is paid to foreign-policy landmarks. This is a clearly written survey and study of history for general readers.

The Russian Moment in World History Marshall T. Poe 2011-06-27 Is Russian history one big inevitable failure? The Soviet Union's demise and Russia's ensuing troubles have led many to wonder. But this is to look through a skewed prism indeed. In this provocative and elegantly written short history of Russia, Marshall Poe takes us well beyond the Soviet haze deep into the nation's fascinating--not at all inevitable, and in key respects remarkably successful--past. Tracing Russia's course from its beginnings to the present day, Poe shows that Russia was the only non-Western power to defend itself against Western imperialism for centuries. It did so by building a powerful state that molded society to its military needs. Thus arose the only non-Western path to modern society--a unique path neither "European" nor "Asian" but, most aptly, "Russian." From the fifteenth to the eighteenth centuries, Russia prevailed despite unparalleled onslaughts by powerful Western armies. However, while Europe nurtured limited government, capitalism, and scientific and cultural revolution, early Russian society cultivated autocracy and command economics. Both Europe and Russia eventually created modern infrastructures, but the European model proved more productive and powerful. The post-World War I communist era can be seen as a natural continuation of Russia's autocratic past that, despite its tragic turns, kept Russia globally competitive for decades. The Russian moment in world history thus began with its first confrontations with Europe in the fifteenth century, and ended in 1991 with the Soviet collapse. Written with verve and great insight, *The Russian Moment in World History* will be widely read and vigorously debated by those who seek a clear and unequivocal understanding of the complex history that has made Russia what it is today.

A Short History of Russia Lucy Cazalet 1915 This brief historical work outlines the history of Russia from the early Slavic peoples through Nicholas II, providing the reader with a significant basis for understanding the Mongols.

The Story of Russia Orlando Figes 2022-09-20 "This is the essential backstory, the history book that you need if you want to understand modern Russia and its wars with Ukraine, with its neighbors, with America, and with the West." —Anne Applebaum, author of *Twilight of Democracy* and *Red Famine* Named a Most Anticipated Book of the Year by Publishers Weekly and Kirkus Reviews From "the great storyteller of Russian history" (*Financial Times*), a brilliant account of the national mythologies and imperial ideologies that have shaped Russia's past and politics—essential reading for understanding the country today *The Story of Russia* is a fresh approach to the thousand years of Russia's history, concerned as much with the ideas that have shaped how Russians think about their past as it is with the events and personalities comprising it. No other country has reimagined its own story so often, in a perpetual effort to stay in step with the shifts of ruling ideologies. From the founding of Kievan Rus in the first millennium to Putin's war against Ukraine, Orlando Figes explores the ideas that have guided Russia's actions throughout its long and troubled existence. Whether he's describing the crowning of Ivan the Terrible in a candlelit cathedral or the dramatic upheaval of the peasant revolution, he reveals the impulses, often unappreciated or misunderstood by foreigners, that have driven Russian history: the medieval myth of Mother Russia's holy mission to the world; the imperial tendency toward autocratic rule; the popular belief in a paternal tsar dispensing truth and justice; the cult of sacrifice rooted in the idea of the "Russian soul"; and always, the nationalist myth of Russia's unjust treatment by the West. How the Russians came to tell their story and to revise it so often as they went along is not only a vital

aspect of their history; it is also our best means of understanding how the country thinks and acts today. Based on a lifetime of scholarship and enthrallingly written, *The Story of Russia* is quintessential Figes: sweeping, revelatory, and masterful.

A Short History of Russia D. M. Sturley 1966

A Short History of Russia Mary Platt Parmele 1899

A History of Russian Literature Andrew Kahn 2018-04-13 Russia possesses one of the richest and most admired literatures of Europe, reaching back to the eleventh century. *A History of Russian Literature* provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day, still rife with the creative experiments of post-Soviet literary life. The volume proceeds chronologically in five parts, extending from Kievan Rus' in the 11th century to the present day. The coverage strikes a balance between extensive overview and in-depth thematic focus. Parts are organized thematically in chapters, which a number of keywords that are important literary concepts that can serve as connecting motifs and 'case studies', in-depth discussions of writers, institutions, and texts that take the reader up close and. Visual material also underscores the interrelation of the word and image at a number of points, particularly significant in the medieval period and twentieth century. The History addresses major continuities and discontinuities in the history of Russian literature across all periods, and in particular bring out trans-historical features that contribute to the notion of a national literature. The volume's time-range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries, space, Holy Russia, and the charismatic king that offers culturally relevant material to later writers. This volume delivers a fresh view on a series of key questions about Russia's literary history, by providing new mappings of literary history and a narrative that pursues key concepts (rather more than individual authorial careers). This holistic narrative underscores the ways in which context and text are densely woven in Russian literature, and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures, historical events and literary politics, literary theory and literary innovation.

Summary of Mark Galeotti's A Short History of Russia Milkyway Media 2022-05-03 Please note: This is a companion version & not the original book. Book Preview: #1 The painting is typical of Vasnetsov's work. It is detailed and evocative, and it is quite wrong. It shows Prince Rurik landing on the shores of Lake Ladoga from his distinctive dragonprowed Viking longship, along with his brothers and retinue. #2 The lands of the Slavs were attractive to the Scandinavian traders. They were often invaded and conquered by their neighbors, the Turkic tribes. However, they did not settle in these lands. #3 The lands of the Rus' were dominated by Scandinavian tribes who had extracted tribute from the northwestern tribes until the risings in 860 forced them from their timberwalled forts. They moved their capital from northern Novgorod to Kiev, and this would remain the dominant city of the Rus' for centuries. #4 The Rus' were a new nomad power that was rising in the south, and they were constantly being challenged by the Kievans, who were conquerors, pirates, and traders not just for greed but also need.

A Brief History of Russia Michael Kort 2008 Serves as a guide to the history and culture of Russia. This book details the social, economic, and political changes and crises that the people of Russia have had to endure. It includes a chronology, bibliography, and, suggested readings. It also covers the conquest and rule of Russia by the Mongol Golden Horde as well as the reign of terror.

A Short History of Russia Richard Denis Charques 1956

A Short History of Russia Mark Galeotti 2020-07-07 A Library Journal 2020 Title to Watch "Terrific - and an amazing achievement to cover so much ground in such a short and wonderfully readable book." -Peter Frankopan, bestselling author of *The Silk Roads* Russia's epic story told in an accessible, lively and short form, using the country's fascinating history to help us understand its actions today and what the future might hold A country with no natural borders, no single ethnic group, no true central identity, Russia has mythologized its past to unite its people, to justify its military decisions, and to signal strength to outsiders. Mark Galeotti takes us behind the myths to the heart of the Russian story, covering key moments such as: the formation of a nation through its early legends, including Ivan the Terrible and Catherine the Great the rise and fall of the Romanovs, the Russian Revolution, the Cold War, Chernobyl and the Soviet Union the arrival of an obscure politician named Vladimir Putin and his ambitions for Russia *A Short History of Russia* explores the history of this fascinating, extraordinary, desperate and exasperating country through two intertwined issues: the way successive influences from beyond its borders have shaped Russia, and the way Russians came to terms with this influence, writing and rewriting their past to understand their present and try to shape their future. In turn, this self-invented history has come to affect not just their constant nation-building project but also their relations with the world.

A Short History of Russia Mary Platt Parmele 2022-06-13 "A Short History of Russia" by Mary Platt Parmele is a 1906 historical text that aimed to educate readers of Russian history. Though much has happened in the over one-hundred years since the book has been published, the text itself was already a brief overview of the most important moments in the country's history at the time. This book can still serve as a wonderful resource for those looking to begin studying Russian history, one that is full of a rich culture that hasn't been replicated elsewhere in the world.

A Short History of Russia Mary Platt Parmele 1907

History of Russia Captivating History 2020-01-20 This new captivating history book serves as an overview of Russian history over the span of more than a millennium, from the foundation of the Russian state by the Viking prince Rurik in 862 AD until the collapse of the Soviet Union at the end of 1991.
